

Medical Society

The Clay Center Medical Society provides an opportunity for like-minded medical professionals to come together in support of the Clay Center's mission of bringing educational and enriching experiences in the sciences and art to all people across West Virginia.

With a gift of \$1,000, you can join your peers in the medical and dental community and enjoy all the privileges of membership for a full year.

Membership in the Clay Center Medical Society offers a way to focus the continuing financial support of doctors and dentists and provides you and your family with valuable benefits, including:

- ▶ The opportunity to purchase performance tickets before the general public
- ▶ Concert Club access, which offers benefits like Club only presales and early access to purchase the best seats for all *Live at Maier Hall* performances, and advance email notification for all *Broadway in Charleston*, *Sound Checks*, and *Live at Maier Hall* performances.
- ▶ Free museum gallery admission for all members of your immediate family
- ▶ Free Caperton Planetarium & Theater admission for all members of your immediate family
- ▶ Access to the Founders' Lounge on Clay Center performance nights
- ▶ Free admission at hundreds of museums and science centers throughout the country
- ▶ 8 complimentary parking passes
- ▶ 8 complementary passes for the Caperton Planetarium & Theater
- ▶ 8 complimentary gallery passes
- ▶ Discounts on workshops

Currently mentoring a young doctor or medical student?

Join the Medical Society and receive a complimentary Clay Center membership for a medical student or resident under your tutelage. Please note that the beneficiary must prove affiliation with medical school, hospital or other medical facility to redeem membership gift certificate.

Membership is tax-deductible

Your membership, less the value of benefits received, is tax-deductible. However, you may claim the full value of your gift as a charitable donation by choosing not to accept the benefits offered.

- ▶ FMV for all benefits, including complimentary membership for a medical student or resident: \$236
- ▶ FMV for all benefits, except complimentary membership for a medical student or resident: \$136
