Essential Functions Statement(s)

- Perform routine preventive maintenance to ensure that machines continue to run smoothly, building systems operate efficiently, and the physical condition of buildings does not deteriorate.
- Use tools such as common hand and power tools.
- Assemble, install and/or repair wiring, minor electrical and electronic components, pipe systems and plumbing, machinery, and equipment.
- Security for the building at the direction of the Building Manager, including monitor security cameras and aid with security when the Clay Center is open.
- Adjust functional parts of devices and control instruments, using hand tools, levels, plumb bobs, and straightedges.
- Paint and repair roofs, windows, doors, floors, woodwork, plaster, drywall, and other parts of building structures.
- Basic construction.
- Check for burned out light bulbs and replace as needed as well as maintain adequate light bulb inventory and order as needed.
- Audit parking lot and issue tickets when necessary.
- Clean and maintain roof drains.
- Assist with set up needs for internal and rental events.
- Move office furniture and equipment when needed. Hang pictures and bulletin boards as requested.
- Issue access cards and back stage passes as well as keys for building access.
- Ability to be on-call to handle emergencies and other building issues after hours.
- Other duties as assigned.

POSITION QUALIFICATIONS

Competency Statement(s)

- Autonomy - Ability to work independently with minimal supervision.
- Honesty / Integrity - Ability to be truthful and be seen as credible in the workplace.
- Initiative - Ability to make decisions or take actions to solve a problem or reach a goal.
- Patience - Ability to act calmly under stress and strain, and of not being hasty or impetuous.
- Problem Solving - Ability to find a solution for or to deal proactively with work-related problems.
- Reliability - The trait of being dependable and trustworthy.
- Responsible - Ability to be held accountable or answerable for one's conduct.
- Safety Awareness - Ability to identify and correct conditions that affect employee safety.
- Tactful - Ability to show consideration for and maintain good relations with others.
- Time Management - Ability to utilize the available time to organize and complete work within given deadlines.
- Working Under Pressure - Ability to complete assigned tasks under stressful situations.

SKILLS & ABILITIES

Education : High School Graduate or General Education Degree (GED): Required.

Experience : 1 plus years of experience in similar position.

Computer Skills : Ability to utilize Microsoft Office products and other applicable software as it relates to the communication and operations of the Clay Center including but not limited to security access and HVAC monitoring.

Certifications & Licenses : Trade school certification with emphasis in carpentry, preferred.

Other Requirements : Ability to work in extreme temperatures i.e. snow removal and sidewalk maintenance. Ability to safely lift in excess 50 pounds. All other duties as assigned.
