

Summer Internship Opportunity

The NASA WV Space Grant Consortium and the Clay Center for the Arts and Sciences of WV would like to announce student opportunities for summer internships.

If you are a student in a **STEM-related field of study or Elementary Education** who is eager for new experiences that will add to your personal and professional development, then this internship is perfect for you!

Title: Clay Center Summer Camp Internship

Work Schedule: Monday – Friday 8:30AM – 4:30PM (with hour lunch)

Start Date: Monday, May 29, 2023

End Date: Friday, August 11, 2023

Stipend: \$6,500

Job Description:

Clay Center Summer Camp Intern will assist students ages 4-14 at various knowledge and experience levels in a variety of hands-on activities. Summer camps include topics such as chemistry, maker/DIY, art, exploring the outdoors and more. Persons who are working toward an Elementary Education degree, are self-motivated, willing to quickly learn new skills, and have experience working with children will receive priority consideration.

Eligibility:

- U.S. Citizenship required.
- 18 years or older
- Full-time student enrolled in one of the 13 Academic Affiliates of the NASA Space Grant Consortium (Bethany College, Bluefield State University, Community and Technical College System of WV, Fairmont State University, Glenville State University, Marshall University, Shepherd University, West Liberty University, WV State University, WVU, WVU-IT, WV Wesleyan College, Wheeling University)
- Underrepresented students are encouraged to apply.

To Apply: Send resume, cover letter, and unofficial copy of transcripts to Ms. Kisstaman Epps, kdepps@mail.wvu.edu

Deadline to Apply: April 28, 2023

The internship opportunity is made available through a NASA Office of Education sponsored project **Grant/Contract No.:** 80NSSC20M0055
